

# TEAM PLAY! FALL 2011: OPENING DAY IS JUST THREE WEEKS AWAY!

The purpose of this email is to confirm your interest in playing for one of our Fall teams. Teams at the 12U & 14U levels are currently scheduled to compete in a local league here in Westchester that will play on Saturday or Sunday each weekend beginning September 10. In addition, teams are slated to have 1 weekday practice per week during the season's months of September and October. **Both games and practices are scheduled to take place right here in central and lower Westchester.**

The mission of our Team Play! program is to help your child maximize his skills by participating in both practice and game situations while providing specific skill feedback using an educational, child-centered approach. Please read below for more information about our outstanding qualifications!

#### **PROGRAM INFORMATION:**

**WHERE:** Central and Lower Westchester

**WHEN:** 1 weekday (TBD soon, likely Wednesdays) & 1 weekend day per week

**COACHED BY WHO?** Josh Cuozzo. For more information about Coach Cuozzo, [please click here](#). Bill Consiglio, 21CS President, will be assisting Coach Cuozzo on a day-to-day basis, serving as General Manager/Administrator as well as coaching players on the field.

**WHO'S ELIGIBLE:** Most of our potential players have attended camps during the summer of 2011, therefore we are aware of their playing abilities....we are excited with our potential player personnel for this coming season!

If your child did not attend a camp during this past summer, when you reply, please email us the name and number of a baseball reference that can verify your child's playing ability. We will follow up immediately with the provided reference and get right back to you in order to confirm that your child will be eligible for our 2011 Fall Team Play! program and then re-communicate with you asap.

**HOW MUCH:** The projected cost will range from \$350-\$525. We have actively pursued obtaining a weekly practice field via donation. We are close to confirming what price, if any, we will pay for use of a field. Of course, the lower the price, the lower the cost to you!

#### **WHAT YOU RECEIVE:**

- Consistent, top-of-the-line and age-appropriate instruction from the area's leading talent development organization (see below), including on-field, state-of-the-art instructional feedback (e.g. use of a photo and video tablet!)
- Full uniform, including pregame practice shirt and warm-up fleece (just like the pros!)
- Season's end, detailed evaluation provided by your coaching staff
- 20% discount to future 21CS programs!

**YOU MUST REPLY TO THIS EMAIL BY SUNDAY AUGUST 21 IN ORDER TO RE-CONFIRM YOUR SERIOUS INTEREST IN OUR 2011 FALL PROGRAM AND ENABLE US TO HAVE FINAL HEAD COUNT OF APPROVED PLAYERS THAT WE NEED TO PROCEED.** Next week we will announce dates and times for an informational meeting for all program members to be held right here in lower Westchester during the week of 8/29. Items to be addressed at the meeting include meeting Coaches Cuozzo and Consiglio, outline expectations for players and parents and review final costs.
